- (1) The outdoor luminaires will be installed only on Cooperative owned poles or structures.
- (2) At the request of the Member, luminaires can be installed on treated pine poles larger than 30 foot, Class 6, if the location permits the use of bucket type equipment for mounting and servicing. An extra charge of \$0.50 per month for a 35-foot Class 6 pole, \$1.20 per month for a 40-foot Class 5 pole, and \$1.50 per month for a 45-foot Class 5 pole shall be applied.
- (3) On contracts having an original term of ten years, the Cooperative may provide poles of material other than wood for an extra charge of 2% of the estimated installed cost difference per pole per month.
- (4) Brackets longer than the standard package length of 30 inches, but no longer than 20 feet, can be installed for an extra charge of \$1.00 per month per bracket.
- (5) A switch to permit member control of light will be provided for an extra charge of \$ 1.80 per switch per month.

- (6) For installations requiring in excess of 150 feet of secondary conductor, there will be a charge of \$0.90 per foot of the excess.
- (7) There will be a \$ 6.00 per foot charge for boring under paved areas.
- (8) The member will reimburse the Cooperative for the actual cost of any conduit used.
- (9) The member will reimburse the Cooperative for the actual cost of any rock excavation.
- (10) The member will be responsible for replacement of any asphalt, concrete, or similar material that may be disturbed by installation of underground service for outdoor lighting.

**EXPLANATORY NOTES**

Lamps will burn from approximately one half-hour after sunset to approximately one half-hour before sunrise. The Cooperative will replace burned out lamps and otherwise maintain the luminaires during regular daytime working hours as soon as practicable, following notification by the Member of the necessity. All facilities necessary for service under this schedule, including fixtures, lamps, controls, poles, hardware, transformers, conductors, and other appurtenances shall be owned and maintained by the Cooperative.

This Schedule is not available for seasonal or part-time operation of outdoor luminaires.

**CONTRACT PERIOD**

Normally, the original term of this contract shall be three years and thereafter until terminated by either party on thirty day's written notice. In cases where the Cooperative, at its own discretion, deems it necessary, the Cooperative may require a contract with an original term up to ten years, and may require an advance payment not to exceed one half of the estimated revenue over the term of the contract.
